Lucinda,

I'm looking at slide 15 of Nicki's presentation. I'm not sure how I feel about the "dates in blue are subject to change". Has there been any communication that would indicate that the Phase 3 WIP dates would change further? I thought we were adamant that we weren't changing those date beyond what we've already done. Or internally is there indication that we might be open to that in the future?

Frank,

Can we have the final agenda asap. To get handouts printed in time, they need to go to the printshop today.
